

After School Art Program

Participate in this popular program that takes place in Brecksville-Broadview schools, taught by Stephanie Sibits and Jennifer Waggoner. Each class is 2 hours & enables students to complete a "no fail" project. Children will have a 15-minute break before class to relax and they can bring a snack/drink to enjoy during that time.

This class has been developed over many years. The purpose of this class is to maximize and maintain the child's Art interest, as he is challenged to develop a higher level of skills and knowledge. The class project can consist of a multitude of media (pastels, watercolor, markers, acrylic, tempera, watercolor pencils). Time permitting at the end of class, we will be completing a small craft.
