

PUBLIC SECTOR WORKFORCE 2030 SUMMIT:

Planning for the Next Generation of State
and Local Government Employees

The Center for State and Local Government Excellence (**SLGE**), the National League of Cities (**NLC**) and ICMA Retirement Corporation (**ICMA-RC**) will be hosting a reception on September 26, and a full day summit on September 27, 2019, in Fort Lauderdale, Florida that will center around the theme of planning for the public sector workforce of the future.

SUMMIT CONTENT

Rethinking Retirement

- Restructuring retirement plans to prepare for the “workforce of the future”
- Applying models from other settings—private/nonprofit sectors, international or other levels of government
- Using behavioral economics to encourage better saving habits among workers, especially those that may undersave

Workforce Trends

- Shaping the future workforce through recruitment and development
- Responding to generational differences and demographic shifts
- Identifying public sector positions showing the greatest growth, position types being reduced or eliminated, positions most difficult to fill
- Examining the role of technological advancements on the changing workforce
- Adapting education systems and technical training to meet anticipated needs
- Prioritizing equity and inclusion

Health and Wellness Benefits

- Addressing the issue of work-life balance (e.g., family leave, elder care and other needs through different life stages)
- Innovating around schedule flexibility, succession planning and advancement opportunities
- Fostering a healthier workforce in a cost-effective manner

September 27, 2019
