DASH 2020-2021 LOTTERY

Due to the YMCA and School Closures, the DASH LOTTERY process will be completed **online only**. Please click on the link provided below to register into the lottery. Once the registration period is complete, we will run the random lottery process which selects the accepted students per school. **We will then email those families that have been accepted for their next steps.** Those not selected will be placed on the waitlists which will be re-evaluated once school opens. Registration into the lottery does not guarantee you into the program. Any registrations submitted after the deadline will be placed on the waitlists. One registration per student allowed and only for their selected school.

FAQ:

What is DASH?

DASH (Dynamic After School Hours) is a recreational program for children in grades **1st-6th** funded by the Chula Vista Elementary School District and operated by the South Bay Family YMCA. DASH operates on all school days for 2 hours on regular days and 3 hours on minimum days for students enrolled.

How many students are accepted to enroll?

50 students per school site will be selected to complete the enrollment process for DASH. We will assess enrollment regularly and add new students from the waitlist as students drop or don't meet the attendance requirements. Siblings will be kept together, so if one gets in the other will as well.

What are the attendance requirements of DASH?

Students are required to attend/participate a minimum of **30 minutes, 3 days** a week (regardless of holidays) to ensure the program is for those who truly need it. Time off request forms will be available for parents to complete and submit if there is a time period you need off for your student. Attendance audits will be conducted regularly to ensure everyone is meeting the attendance policies.
