

Curbside pickup is available at the following stores, listed by county. Most stores support curbside service Monday through Saturday — taking a limited number of orders on a first-call, first-served basis beginning at 9 a.m. each day — but some stores will operate on more limited days and hours. Those stores operating on more limited schedules are identified within this list, with days and hours of operation provided.

Curbside pickup orders are limited to 12 bottles per order. Callers will be guided by employees through products available to purchase at each location. Payment by credit card will be required by phone, and all sales are final (no returns).

Additionally, as of Friday, May 15, those stores in teal also offer limited in-store access. To view store hours, click [here](#).
